

Welcome to the JOOC! Below you will find instructions to get you started.

Step 1: Creating an account

To create an account, you will want to click "Create new account" here.

The screenshot shows the Regis JOOC homepage with a dark blue header containing the Regis University logo and the text "Regis JOOC: Leading Lives That Matter". On the left, there are navigation and main menu sections. The main content area is divided into several boxes: "Start Here!" with a link to the "JOOC How-To Guide", a "Login" form with fields for Username (dmoore002) and Password, and a "Log in" button; "The Regis University 'JOOC' or Jesuit Open Online Conversation, is a free online course-like experience offered to Regis alumni, parents, and friends."; "Help" with contact information; "Calendar" for June 2016; "Social Media" links for Facebook, Twitter, LinkedIn, Pinterest, Tumblr, and Events; and "RU Traditions" with a circular logo. A blue box with an arrow points to the "Log in" button, and another blue box with an arrow points to the "Create new account" link.

If you click directly on the course before creating an account, you will be taken to an instructional page.
